

**3rd Conference: "COGENERATION
- technologies, investment projects, financing options"**

17-18 March 2016, Poznań (IOR Hotel & Congress Centre)

Day 1 - 17 March 2016

9.00 Registration at the Conference Office

10.00 Official opening of the Conference

- Dorota Kubek, Mariusz Marchwiak, Wydawnictwo „Nowa Energia”

- Bogdan Świątek, wiceprezes zarządu, Veolia Energia Poznań S.A.

Prezentacja Grupy Veolia: Bartłomiej Pawluk, dyrektor ds. komunikacji i marketingu, Veolia Energia Poznań SA (20 min)

Conference moderator: Dr. Eng. Rafał Kobyłecki, professor at the Częstochowa University of Technology; Chair of Energy Engineering

10.20-11.30 PANEL 1: Cogeneration - legal aspects and support

- **CHP in Poland: the current state and development prospects** - Iwona Kowal, Energy specialist, Statistics and Forecasts Department, Agencja Rynku Energii S.A. (20 min)

- **Costs and benefits of CHP use in Poland** - Juliusz Jankowski, Chief Specialist for legislative issues, Regulations and External Relations Department, PGNiG TERMIKA SA (20 in)

- **CHP sources' cooperation with heat and power networks** - Paweł Kokociński, Manager, Production Planning and Economics Department, Veolia Energia Poznań ZEC SA; Michał Dziennik, Head of Operations and Technology Department, Veolia Energia Poznań SA (20 min)

11.30-12.0 Break: talks and exchange of experience

12.00-13.10 PANEL 2: Modern cogeneration technologies

- **CHP sources' cooperation with district heating networks** - Marcin Staniszewski, Production Department Director for Operational Issues, TAURON Ciepło Sp. z o.o. (20 min)

- **Fluidised bed boilers, multi-fuel boilers and water boilers as flexible solutions for CHP plants and heat plants** - Sebastian Wawrzyniak, Commercial Manager, Amec Foster Wheeler Energia Polska Sp. z o.o. (20 min)

- **Możliwości finansowania inwestycji ochrony powietrza i efektywności energetycznej**
- Hanna Grunt, prezes zarządu, Wojewódzki Fundusz Ochrony Środowiska i Gospodarki Wodnej w Poznaniu (20 min)

13.10-14.10 Lunch

14.10-15.10 PANEL 3: Cogeneration technologies: industrial solutions

- **Technical assumptions for multi-fuel CHP plant construction - based on the example of Fortum CHP Plant in Zabrze** - Adam Kampa, Development Manager, EC Fortum, Fortum Power and Heat Polska Sp. z o.o. (20 min)

- **Advancement of the new heat and power plant construction in ZAK S.A.** - Janusz Rydzak, Product Promotion Team Manager, RAFAKO S.A. (15 min)

- Small-scale gas-fired CHP units - based on the example of the Jarocin plan - Waldemar Matuszak, Director, Jarocin CHP plant, Veolia Energia Poznań S.A. (20 min)

15.10-15.40 Break: talks and exchange of experience

15.40-16.30 PANEL 4: Cogeneration as a method of reducing low-altitude emissions

- How to fight with smog? Network heat as the most environmentally friendly solution

- Marcin Lewandowski, Member of the Board, Gdańskie Przedsiębiorstwo Energetyki Ciepłej Sp. z o.o. [Gdańsk Municipal Heat Company] (20 min)

- The impact of insulation on energy efficiency of processes in CHP production - Agnieszka Lisikiewicz, Marketing Manager RTI, ROCKWOOL Technical Insulation (15 min)

16.30-16.45 Break: talks and exchange of experience

16.45-17.30 REFERAT SPECJALNY: Public Relations, szansa czy przekleństwo?

dr Sebastian Chachólek, prezes Zarządu, Grupa PRC (45 min)

17.30-17.45 Break: talks and exchange of experience

17.45-18.45 PANEL 5 (DISCUSSION PANEL)

Discussion moderator: Dr. Eng. Rafał Kobyłecki, professor at the Częstochowa University of Technology; Chair of Energy Engineering

Participants of the discussion (in alphabetical order):

- Marian Babiuch, prezes zarządu, Elektrociepłownia „Zielona Góra” S.A., Polskie Towarzystwo Elektrociepłowni Zawodowych

- Juliusz Jankowski, Chief Specialist for legislative issues, Regulations and External Relations Department, PGNiG TERMIKA SA

- Adam Kampa, Development Manager, EC Fortum, Fortum Power and Heat Polska Sp. z o.o.

- Bogusław Krztoń, Business Development Director CEE, Amec Foster Wheeler Energia Polska Sp. z o.o.

- Marcin Lewandowski, Member of the Board, Gdańskie Przedsiębiorstwo Energetyki Ciepłej Sp. z o.o. [Gdańsk Municipal Heat Company]

- Bogdan Świątek, wiceprezes zarządu, Veolia Energia Poznań S.A.

Content summary of the Conference

19.00-23.00 Gala dinner and business meeting

Ok. 20.00 **Slajdowisko „Rower góral i na Ural”** - Dominik Szmajda

Day 2 - 18 March 2016

7.00-8.45 Breakfast at the hotel

9.00-11.30 Site visits to CHP plants, e.g. a visit to the Karolin CHP Plant of Veolia Group (travel by bus)

11.45 Lunch

* The Programme may still be modified by the Organiser
