

VI CONFERENCE
„Thermal Treatment of Municipal Waste
- technologies, investment projects, financing options”
27-28 February 2014 - Białystok ("Gołębiewski" Hotel, ul. Pałacowa 7)

Conference Programme*

26.02.2014

18.00-20.00 Possible registration at the Conference Office

Day 1 - 27.02.2014

09.00 Registration at the Conference Office

10.00-10.10 Official opening; presentation of the Conference programme and objectives

- representative of the „Nowa Energia” Publishing House

Conference Moderator: *Dr. Eng. Grzegorz Wielgosiński, professor at the Łódź University of Technology, Faculty of Process and Environmental Engineering*

10.10-12.30 PANEL 1

- **Competition or cooperation, or an attempt to rationally use the existing and planned Municipal Waste Thermal Treatment Plants** - *Wojciech Hartung, Counsel, Infrastructure and Energy Practice, Domański Zakrzewski Palinka Law Firm*

- **Obligations of entities managing municipal waste incineration plants** - *Dr. Eng. Lech Magrel, Regional Director for Environmental Protection, Białystok*

- **The practice of courts' judicial decisions on the interpretation of legislation regarding the new municipal waste management system. Consequences for waste collecting companies and for municipalities** - *Aneta Pacek-Łopalewska, Legal Advisor, Environmental Law Office*

- **Classification of energy generated at Municipal Waste Thermal Treatment Installations as RES-generated energy: the scope of certification required for the concession** - *Dr. Eng. Ryszard Wasielewski, Krzysztof Kazalski, the Institute of Chemical Processing of Coal, Zabrze*

- **Flue gas cleaning technology of LAB GmbH** - *Christian Fuchs, LAB GmbH - Stuttgart*

12.30-13.00 Break: talks and exchange of experience

13.00-14.30 PANEL 2

- **Implementation prospects for incineration projects financed under the Operational Programme Infrastructure and the Environment, as viewed by the National Fund for Environmental Protection and Water Management** - *Robert Markiewicz, Deputy Director, Soil Protection Department, National Fund for Environmental Protection and Water Management*

- **Construction of the Municipal Waste Treatment Plant in Białystok - implementation stage** - *Alina Pisiecka, Vice-President of the Board, Measure Authorising Officer, Przedsiębiorstwo Usługowo-Handlowo-Produkcyjne „LECH” Sp. z o.o.*

- **Roles and tasks of the Contract Engineer in the construction of the Municipal Waste Treatment Plant in Białystok** - *Sebastian Maziarz, Chief Specialist for Advisory and Inspection Support to Investors, ENERGOPOMIAR Sp. z o.o.*

- **Municipal Waste Thermal Treatment Installations and their status as Regional Municipal Waste Treatment Plants - selection of technology and problem solutions** - *Dr. Eng. Grzegorz Wielgosiński, professor at the Łódź University of Technology, Faculty of Process and Environmental Engineering*

14.30-15.30 Lunch

15.30-17.00 PANEL 3

- **Implementation of Municipal Waste Thermal Treatment Installation projects in the PPP formula, based on the example of the city of Poznań** - *Bożena Przewoźna, Director, Municipal and Housing Administration, Poznań Municipal Office*

- **LAB GEODUR technology- stabilisation and solidification of ashes, dusts and flue gas cleaning residues, and valorisation of slag from municipal waste incineration plants** - *Martin Schmidt, Branch Office of LAB GmbH, Zug, Switzerland*

- **Heat production from waste at small-scale installations** - *Wojciech Rychlicki, President of the Board, Ekokogeneracja S.A.*

- **TIRU vibrating burner. Original, efficient and proven technology for small-scale municipal waste incineration plants** - *Andrzej Bednarz, representative of TIRU S.A.*

17.00-17.30 Break: talks and exchange of experience

17.30-19.00 DISCUSSION PANEL

Discussion Moderator: *Dr. Eng. Grzegorz Wielgosiński, professor at the Łódź University of Technology, Faculty of Process and Environmental Engineering*

PANELISTS (in alphabetical order):

- *Jakub Bator, Member of the Board, Measure Authorising Officer, Krakowski Holding Komunalny S.A.*
- *Wojciech Hartung, Wojciech Hartung, Counsel, Infrastructure and Energy Practice, Domański Zakrzewski Palinka Law Firm*
- *Dr. Eng. Lech Magrel, Regional Director for Environmental Protection, Białystok*
- *Robert Markiewicz, Deputy Director, Soil Protection Department, National Fund for Environmental Protection and Water Management*
- *Aneta Pacek-Łopalewska, Legal Advisor, Environmental Law Office*
- *Alina Pisiecka, Vice-President of the Board, Measure Authorising Officer, Przedsiębiorstwo Usługowo-Handlowo-Produkcyjne „LECH” Sp. z o.o.*
- *Bożena Przewoźna, Director, Municipal and Housing Administration, Poznań Municipal Office*
- *Dr. Eng. Henryk Skowron, Expert*
- *Dr. Eng. Ryszard Wasielewski, the Institute of Chemical Processing of Coal, Zabrze*

20.00-24.00 Gala dinner and business meeting

Day 2 - 28.02.2014

07.00-08.30 Breakfast

9.00-10.45 PANEL 5

- **Experience of the construction of the Waste Thermal Treatment Plant in Kraków – project implementation and financing** - *Jakub Bator, Member of the Board, MAO, Krakowski Holding Komunalny S.A.*
- **Doosan Lentjes waste thermal treatment technologies based on the example of the Budapest and Kraków projects** - *Rafał Psik, Key Account Director, Doosan Lentjes*
- **Heat loss reduction and CO₂ emissions reduction at waste thermal treatment plants** - *Agnieszka Lisikiewicz, Technical Service Manager, ROCKWOOL Technical Insulation*
- **General Contractor’s role in the preparation and implementation of Municipal Waste Thermal Treatment Plant projects, based on the example of Hochtief Group** - *Anna Wiosna, Business Development Director, HOCHTIEF Polska*
- **Modern systems of transporting loose materials at Municipal Waste Thermal Treatment Plants** - *Manfred Reinsch, Sales Engineer, LOIBL A-S-H GmbH*

10.45-11.00 Break: talks and exchange of experience

11.00-12.15 PANEL 6

- **Advancement of the Municipal Waste Thermal Treatment Plant project in Konin** - *Andrzej Drewniak, Measure Authorising Officer, Zakład Gospodarki Odpadami Komunalnymi Sp. z o.o. (Municipal Waste Treatment Plant), Konin*
- **Foster Wheeler technology for waste fuels** - *Jan Ćwieląg, Head of Concept Design Department, Foster Wheeler Energia Polska Sp. z o.o.*
- **Technological parameter measurements and flue gas emission monitoring for waste thermal treatment installations, SICK Sp. z o.o.** - *Edward Sucharda, Project and PA Service Department Manager, SICK Sp. z o.o.*
- **Gas neutralisation methods for waste incineration plants** - *Paweł Żumirski, Sales Director, Stanisław Białas, Project Engineer, Luhr Filter Polska Sp. z o.o.*

Conclusions and closure of the Conference
about 12.30 Lunch

*The Programme may still be modified by the Organiser
